Download You Online Origin Console Game Play your way Purchase Activation XBOX Live Play Origin In-game EA Play PUBG Courage Battle SUBSCRIBE: YouTube LEADING INTO THE FUTURE EA FIFA 22 is the most authentic football experience ever to grace a video game console, boasting enhanced gameplay intelligence, including Moments, an experience system that unlocks a full breadth of motion-captured actions and authentic celebrations, and a deeper pitch intelligence system that sees more of the pitch and players emerge on screen. Players will feel the strategy of the game from new First Touch Intelligence (FTI) that analyses the player's body shape, speed and movement pattern to decide the direction of their strike for more realistic goalscoring opportunities. Another feature is build-up play, where players can use their skills to find space between the midfield and defence, and charge their way through the opposition to score. The new face of FIFA will be more open to individuality – as well as teaming up with their favourite players from across the planet, it also looks set to embrace the individuality of users, with new customisation

features that will let players paint their virtual player – and the footballer it represents – with iconic and memorable club and player jerseys, tops, boots and training gear. And it's not just on the pitch that players will have fun with FIFA in the future. EA SPORTS FIFA 22 takes players back to their favourite moments with new features that transform user FIFA Moments with Player Goals. FIFA Moments FIFA Moments are the prime moments from a great final: The 2-1 victory over Germany in the World Cup final in 2014; the winner-takes-all shoot-out against Colombia in the Copa América final in 2015; or VAR's impact at the World Cup in Russia in 2018. To recreate the excitement of these matches, and celebrate the passion of the final two minutes of these matches with a goal scored, EA SPORTS FIFA will include a replay feature for all Moments. With this feature, the moment will be revisited and players can live out those two minutes again in immersive and uncaptured fashion bc9d6d6daa

Join a team as a player, come into the coaching box and live the off-field atmosphere of managing a professional soccer club. It's a way to get closer to the game you love and share your passion for the world's most popular sport. The Campus Tour takes you around the globe – visiting 27 unique campuses, including the most famous in the US, UK and Ireland, and giving students the opportunity to experience some of the biggest stadiums in the world. The moment you touch the ball, change direction and strike – we want you to play like a pro. That's why we have also improved the control and responsiveness of players' movement, and fine-tuned the ball physics – delivering state-of-the-art ball control and a closer, more natural feel. Over 150 Authentic Footages FIFA 13 introduced the highest level of realism in player controls, ball physics and match presentation possible to date – and the result was immediate: the game was one of the most-talked-about titles of its launch year. Now, FIFA 14 takes it further. Along with a growing archive of authentic game plays, we have also significantly expanded the catalogue of over 150 players with new animations. 1,000 Ways to Score Whether it's a new goal celebration, a completely new way to make goals or a completely new way to score goals – FIFA 14 brings over 1,000 entirely new ways to score. It's the most comprehensive goal celebration system yet, with 64 different types of celebrations, including jet-packs and car windows! And to celebrate the culture of scoring from all over the world, we've added goal celebration and celebration animations for hundreds of different

languages and cultures. Player Intelligence Engine (PIE) FIFA 14 introduces a
